

# Mrs. MacAdam's Parent Questionnaire

Student's Name \_\_\_\_\_

1. List 5 words that you think best describe your child's character (cheerful, competitive, perfectionist, etc.)
2. What best motivates your child?
3. What upsets your child?
4. What hobbies and activities does your child enjoy doing outside of school?
5. What hobbies and activities do you and your child share?
6. What successes/problems do you experience when you work or play with your child?

On a scale of 10, how do you rate your child's study habits? Circle one.

7.            1        2        3        4        5        6        7        8        9        10

8. What study skills does your child need to develop? (Neatness, organization, timeliness, etc.)
9. In what subject(s) is your child the strongest?
10. In what subject(s) is your child weak?
11. What academic areas would you like to be stressed this year?
12. What social skills would you like to see your child develop?
13. Are there any personal or physical problems related to your child that I should know about?

Please share any concerns or comments you might have.

*Thank you for your help. I look forward to working with you and your child!*
