Dear Parents and Students,

Designed exclusively for parents and students of Room 17, our website gives the latest news and events of our classroom as well as access to many learning and enrichment resources.

Simply type in **mrsmacadam.com** and you're there! You can also use the website to send me an e-mail—I'm only a click away!

→ **Students are responsible for recording assignments each day.** The website is a good tool, but frequently adjustments to assignments are made during the day and I usually get home too late to post the changes. I have provided your child with his/her personal Assignment Book.

Please sign the tear-off below so I'll know you've received this information. I'll also need your permission to include your child in class photos posted on the website.

Thanks!

**Mrs. MacAdam**
