

ROOM 17'S BARTER DAY!!!!

Name _____

Our class will be participating in Room 17's Annual "Snack Barter Day," on Wednesday, March 10th. Find out what bartering is all about. On Barter Day, you will survey an assortment of snacks, and then decide how much of your snack you will trade or barter for another student's snack. No money may be used. It's only goods-for-goods. How many cookies will it take to make a successful trade for a small bag of chips?

Bring a **small snack to trade just before our Recess Break**. It's going to be fun!
