

# ANIMAL REPORT CRITERIA & RUBRIC:

## Criteria

- ▶ Follows directions
- ▶ Work is neat, legible, complete, and on-time
- ▶ The report is assembled according to directions. This completed rubric sheet is attached to report. (Student has marked the grade s/he believes is the appropriate one.)

## Rubric Assessment

4	Work is exceptionally well-researched and information is well-organized. Writing is clear, focused, detailed, and lively. Sensory language is used which allows the reader to visualize the animal.
3	Report is organized and clear with good details.
2	Work is incomplete or lacks required information and/or work is careless.

Student fills out:

I believe my animal report has earned a
