Julian thinks his wishes might come true because so he could best friends with Gloria.

because they were getting along.

Julian thinks his wishes will come true because Gloria told him that the wind would blow the words come off the paper.

OCR1 L-1 (Personal responses portion of comprehension test.)

What do you think Julian would say to a person who thinks that boys and girls can't be friends?

- I think Julian would say to people that don't think boy's and girls can't be friends.
- I don't think Julian will tell that person that he has a girl as a friend but I do think Juliain will tell the person that if he and his buddies ever see him with a girl, Juliain will never care if they laugh or tease him.
- I think Julian would tell a person who thinks that boys and girls can't be friends with eachother because a girl would like girl stuff and a boy would like boy stuff.
- Julian would say to someone that would not beleve girls could be rreinds with boys: girls can be friends with boys because I made friends with a girl
- Julian says that because people find out that he has girl for a griend and then they tease him.
- I think Julian would tell a person who thinks that obys and girls can't be friends. That's not true boys and girls can be friend an good ones too.

Who would you rather have as a friend, Julian or Gloria? Why?

- I would rather be riends with Gloria because she's inergetick, fun and got a really good personality. She also has great ideas.
- I would want Gloria for a friend be cause she's nice, benevolentandrespectful.
- Gloria because she's so happy, kind, and sweet. She would always brighten up the day. I would never be bored again.
- I would rather have Gloria for a friend because she likes the same things that I do.
