Dear Parents,

I will make our Media Lab time, classroom computers, and encyclopedias, available for student research whenever possible, including Recess, Lunch Recess and after school [when I don't have a scheduling conflict].

Please review the following deadlines for your child's California Indian Research Report which will help make the task more manageable. Students should NOT BRING any item of their reports to school, until Thursday, February 7th when the bibliography cards—and ONLY—the bibliography cards are due. (The bibliography cards will be returned to your child that day.) You can help your child by periodically checking the deadlines and

asking him/her to show you what has been done. Additional copies of this schedule as well as copies of the report directions and rubric can be found on our website.

Report Deadlines:

- **January 9th, Parent Note acknowledging notice of assignment.**
- **January 30th, Minimum 3 bibliography cards and first 4 questions [in detail] should be completed. Student/Parent Note is due.**
- **Wednesday, February 7th, Illustrations should be completed. Student/Parent Note is due.**
- **Thursday, February 8th, ALL OF THE STUDENT'S BIBLIOGRAPHY CARDS ARE DUE IN CLASS. They must be filled out correctly. Students will need them for the Bibliography Lesson. (They will not be picked up, but they will be checked.)**
- **Friday, February 8th, Student/Parent Note acknowledging that Student's First Draft of research report has been completed.**
- **Tuesday, February 12th, Creative Writing Assignment has been completed.**
- **Thursday, February 14th, completed report (with creative writing) is due.**

Best wishes,

Mrs. MacAdam
