- Rubric, completed by you (This Page)

Rubric

Assessment of 4	Work is neat, directions were followed, writing is clear, coherent, thoughtful, full of interesting information, and shows creativity and excellence. It is clear that the report was independently produced by the student.
Assessment of 3	Most directions were followed, writing is generally clear and there is evidence of student's discovery of knowledge about the tribe.
Assessment of 2	Some evidence of learning about the tribe was shown, but work is careless or lacking details. OR Report was not independently generated by the student OR student copied some work from a book or an Internet source.
Assessment of 1	Work is missing or shows no evidence of learning or student copied information. OR Student did not do the work him/herself.

I think my grade for this report should be

Teacher's Grade _____
